**FAVORITE TOY:** Speak and Spell

**THE WORST THING:** English class

We love June Fondue, and it's super awesome to be at her video release party! Blade, the coolest kid at school, is here because his dad Bo E. Knife couldn't find a babysitter. When our parents found out that kids could come, all of them decided to send us here too. When Frank's parents dropped him off, we heard his dad say to his mom, "Finally, one night alone." And then his mom said to his dad, "I love him, but we're free!" And then they sped off into the night.

We watch June Fondue's videos in gym class, and our favorite is "Jumpstart Your Heart for Martial Arts." We're really good at tackling each other now, and we practice every day. Our wax on-wax off form is legit. Our gym teacher coaches us from the sidelines, saying "Give it your all!" and "Lucy, don't hit Feng with that stick!" and "Why God, why did I let them watch that video?"
