June Fondue is legit. A couple months ago, the whole basketball team filmed an exercise video with her, and we were floored by her skill. In the video, June deadlifted five of us. Each of us can only deadlift one person. She's a primo woman, and her workouts have upped our game. We're excited for her new fitness video "We Can Work It Out." We're sure it'll jump off the shelves in every Blockbuster in the nation.

The Los Angeles Hair Cutters have been our rival for 20 years. They win the NBA championship every year, but that doesn't mean that the Lagoons are a bad team. We're a bad team because we always come in last.
