MOST COMPLEX DANCE MOVE IN VIDEO: Somersault backflip triple twist

We dancers and June Fondue are thrilled that so many people are here to celebrate watching other people exercise, and we're stoked for our workout video to hit the Blockbuster shelves. Hopefully by this time next week everyone in America will be able to do twenty leg lifts, ten side stretches, and one ballerina twirl.

We started making exercise videos because other people would only work out with us from New Year's to mid-February. By Valentine's Day, none of our friends would exercise with us. Now we can exercise with the whole world!
