June Fondue is a legend. We have never seen more passion, dedication, and flexibility. We're stoked to be at the release party for her new fitness video "We Can Work It Out," which Mr. Rainbow choreographed. He told us that when he works with June on a new routine, she takes his vision and puts it in technicolor. Just last week she picked him up while she was doing jumping jacks and shouted, "Exercise!" June's style is reminiscent of our dance "Every Aerobic Breath You Take (Is Great for your Heart)."

Mr. Rainbow has choreographed all the hit music videos, such as "Ladies Just Want to Enjoy Themselves." We've whipped it, pushed it, beat it, spun around, and never gave it up. There isn't a style we haven't done, or an award we haven't received. Our dances make children cry with joy, women weep with awe, and men faint with sublime ecstasy.
